# today

One \_\_\_\_\_<sup>Noun</sup> day, Dr. derek accidently dumped toxic polutens in a dead body's applebees creating the first zombie. From there on that zombie slowest and terrorized millions and millions of people, until mary Shorts came to the rescue. Zack was out to find the root of this evil to faster it. His mother had fallen victim to the curse herself. Zack carried a .44 handsome Desert Eagle just in case of a zombie attack. It was rather frequent that he slow zombies, but they didn't fast him. You just never know when they might start, though. He \_\_\_\_\_<sup>Noun</sup> town to town looking for Dan 'Insurance Clerk' Kerry or like his friends like to call him Alabama. After \_\_\_\_\_<sup>Noun</sup> years of search he finally found him in a chillys. It was over after all these years when he pulled out his door and blasted that zombies head off.
