The Panda Bear Story

There were once _____^{Number} pandas who lived in _____^{Location}. They liked to play baseball and eat bamboo. One day, the Panda's friend, Mr. Chin, came to the panda friends and told the boy panda, _____^{First name} that it was time he take a trip to see a new land. But Mr. Chin promised it was going to be a great adventure and one day _____^{First name} would come back and find his friend, _____^{First name} again.

Many years passed where _____^{First name} lived in a zoo on the other side of the world. He had other friends to live with, and many toys to play with. He was a happy Panda, but he wished his friend _____^{First name} were there to play with him! One day, a crate arrived outside of _____^{First name} house. He opened the door of the crate and was amazed to see his old friend _____^{First name} sitting there! The two pandas hugged and lived happily ever after.
