# Bar Hopping

This week I went to the \_\_\_\_\_  
Adjective\_\_\_\_\_ bar known as Lucky 13 on Market. I had been avoiding this place for years because it seemed so \_\_\_\_\_  
Adjective\_\_\_\_\_. Turns out I was right.

Now, don't get me wrong. I like \_\_\_\_\_  
Adjective\_\_\_\_\_ \_\_\_\_\_  
Plural noun\_\_\_\_\_ as much as the next girl, but gimme a break.

I mean, if I want to be surrounded by hipsters wearing \_\_\_\_\_  
Noun\_\_\_\_\_ and \_\_\_\_\_  
Plural noun\_\_\_\_\_ who seem to get off on, \_\_\_\_\_  
Activity\_\_\_\_\_.

Lucky 13 has that mid-'90s \_\_\_\_\_  
Adjective\_\_\_\_\_ vibe that most people associate with \_\_\_\_\_  
Plural noun\_\_\_\_\_ vintage cars, and \_\_\_\_\_  
Noun\_\_\_\_\_. There are posters everywhere for bands like \_\_\_\_\_  
Band name\_\_\_\_\_ and pictures of pseudo-'50s for women who look like \_\_\_\_\_  
Name of a person\_\_\_\_\_. These babes are usually posing \_\_\_\_\_  
Adverb\_\_\_\_\_ whilst sprawled across a \_\_\_\_\_  
Noun\_\_\_\_\_ or cozied up to a \_\_\_\_\_  
Noun\_\_\_\_\_.

Basically,

Lucky 13 is like a \_\_\_\_\_ Adjective theme park with a 'bad luck' gimmick. The sign has a picture of a black \_\_\_\_\_ Noun and, of course, it also sports the number 13, which in certain cultures is an omen that means \_\_\_\_\_ Adjective luck. I dunno. To me it just means, 'Hey, Come on in! I'm a term a \_\_\_\_\_ Insult !'

OK, maybe I shouldn't be so \_\_\_\_\_ Adjective on the place. I mean, some \_\_\_\_\_ Plural noun seem to like it.

When I walked in, for example, it was full of \_\_\_\_\_ Plural noun enjoying pints of \_\_\_\_\_ Liquid and nibbling on \_\_\_\_\_ Noun. \_\_\_\_\_ band name was playing on the sound system, and folks were \_\_\_\_\_ Verb ending in ing and generally having a good time. Could my distaste for Lucky 13 merely be my own fear of not being \_\_\_\_\_ Adjective enough to fit in?

I sat down on a barstool and took in the \_\_\_\_\_ Adjective selection of \_\_\_\_\_ Liquid on tap. They did indeed have a \_\_\_\_\_ Adjective array to choose from. I tried to get the bartender's attention by \_\_\_\_\_ Verb ending in ing my \_\_\_\_\_ Noun but he seemed to ignore me. Finally he came over. He was a bit \_\_\_\_\_ Adjective and seemed like he'd really rather be at \_\_\_\_\_ Location.. I ordered a glass of \_\_\_\_\_ Liquid and settled in. \_\_\_\_\_ Exclamation !' I said to myself. 'This place' \_\_\_\_\_ Present tense verb the big one!'

I was just about to take off when I saw a \_\_\_\_\_  
\_\_\_\_\_ guy sitting by himself and reading a \_\_\_\_\_  
\_\_\_\_\_ magazine. \_\_\_\_\_!' I said to myself. He looks \_\_\_\_\_.  
Before I went to sit next to him, I asked the bartender where the bathroom was. This seemed to annoy him and I thought he was gonna \_\_\_\_\_ me. I found it, though, and had a \_\_\_\_\_ time reading all the graffiti on the walls. 'John Kerry is a \_\_\_\_\_, was scribbled on one of them. Then there was the usual mix of 'Don't sleep with \_\_\_\_\_ he has \_\_\_\_\_, or 'I love to have my \_\_\_\_\_ every night.' Stuff like that. I thought about adding my own clever lines, something in the vein of 'Here I \_\_\_\_\_ all brokenhearted, came to \_\_\_\_\_ but only \_\_\_\_\_, but alas, I left my Sharpie at \_\_\_\_\_..

I came out of the john and sat next to the strange guy. We chatted a bit and I found out that he was a \_\_\_\_\_ who was married with a 2-year-old \_\_\_\_\_. This was his one night a week to get out, he said. \_\_\_\_\_!' I said. 'Sort of like a \_\_\_\_\_ night out! I thought an \_\_\_\_\_ did stuff

like that.' .
