Letter of Intent

Dear Matt,

I am _____^{Verb}_____ to announce my return to the _____^{Location}_____ in 2012-2013 academic year. Next

_____^{Noun}_____ will be yet again, another change! There is much to look forward to as we begin _____^{Verb}_____

_____^{ending in ing}_____ a history curriculum that is _____^{Verb}_____ to our core values as well as relevant in preparing our

students for the future. At this time, there are several uncertainties about my work commitment for next year. I

know that continuing to work with middle school students is where my passion lies, but where are my talents

best utilized? There might be other opportunities for me at the school and to continue growing professionally

which I would be open to discuss. I'm looking forward to our conversation.

Sincerely,

Jayde Prudden
