My friend's name is Friend's name. Friend's name again is Gender. He/she likes to Verb. His/her favorite sport is Sport. What I like about Him/her is that he Adjective His/her favorite color is Color. One time, Friend's name again went to Place to see that Person's name had bailed Him/her out about what He/she had done. Person's name #2 was really mad, so Friend's name again went to Place. Person's name #3 was there, and Friend's name again was very surprised to see Him/her. And that's all i'll ever know about Friend's name again.
