Make your own Subculture Manifesto

Hi, I'm a Noun punk. I'm part of a Adjective subculture of Adjective teenagers who feel really passionately about Event. We only wear Color clothing with Adjective patterns and we've all got Body part piercings. Animal tattoos are a must. We mainly listen to Noun-core. My favourite bands are First name and the Plural noun the Preposition and Noun by Noun. In the end, we just want everyone to Verb freely, and feel like Plural noun. Oh, one last thing: FUCK THE Noun (all capitals).
